

# How to: Request profile change

- To make a profile change request, you must open a web browser and go to the URL:  
<https://ticketing.dome-marketplace.eu> , this procedure will allow you to enter a ticket on the Zammad platform. At the following link you will find instructions for opening a ticket:  
<https://knowledgebase.dome-marketplace.eu/books/ticketing-helpdesk-customer-user-guide/page/how-to-open-a-new-request> .
- You will be able to forward a request via the DOME ticketing platform to the group **05-Customer Service Tools**, selecting the **Knowledgebase – Access roles** item in the drop-down menu of the “Problem” section and briefly describing the type of request in the text field.

The screenshot displays the Zammad 'New Ticket' interface. On the left, a dark sidebar contains a search bar and a list of navigation items: 'Overviews', 'Knowledge Base', 'Prova', 'Mail address', 'Sales department', 'Certificate', 'Credentials', 'Navigation error', 'Knowledge base - workflow 1', 'Portale clienti', 'Portale clienti bis', and 'Knowledge base - workflow 1'. The main content area is titled 'New Ticket' and features the following fields:

- TITLE \***: A text input field containing 'Request Access Roles'.
- TEXT**: A larger text area containing the text 'The configuration of EDITOR permissions for the PaoloRossi@xx.com user is required' with red squiggly lines under 'EDITOR' and 'PaoloRossi@xx.com'. Below this text is a link 'select attachment...'.
- GROUP \***: A dropdown menu showing '05 - Customer Service Tools'.
- PROBLEM \***: A dropdown menu showing 'Knowledgebase - Access roles'.

At the bottom of the form, there are two buttons: 'Cancel & Go Back' and a green 'Create' button. An information icon (i) is visible on the right side of the form.
