

How to: create new account

To create a new user account, the customer should follow these steps:

- Open a web browser and navigate to the URL: <https://ticketing.dome-marketplace-prd.org/> .
- Click on the "**LOGIN**" option at the bottom of the login page, as you can see from the screenshot below.

- Click on the "Register" option following "New user?" at the bottom of the page.

- Fill in the necessary information for creating your account. This typically includes your email address (for users who are part of the Consortium, a company email address must be entered), username, and password. Then, click on "Create my account" button.
- After entering the required information, the system requires email verification. Check your email for a confirmation link and follow the instructions.
- Once your account is created and verified, return to the login page and log in using your newly created credentials.
